

## ABC News Studios Announces One-Hour Ivana Trump Documentary To Stream on Hulu

ABC News Studios announced today the one-hour documentary “The Ivana Trump Story: The First Wife,” which is available for streaming only on Hulu beginning on Friday, July 22. With contemporary voices and archival footage and interviews, the one-hour special weaves a robust narrative of the life and legacy of Ivana Trump — the mother, businesswoman and glamour queen whose eye for branding and design helped Donald Trump build an empire.

Interviews include Ivana Trump’s longtime friends **Nikki Haskell** and designer **Dennis Basso**; **George Wayne**, journalist and former columnist at Vanity Fair; **Linda Stasi**, journalist, author and former columnist at New York Daily News, New York Post, and Newsday; and New York Post columnist **Cindy Adams**.

Archival footage and ABC News interviews trace the couple’s tumultuous divorce following Donald Trump’s affair with Marla Maples and how Ivana would go on to reinvent herself in its aftermath. A mother, an immigrant, a woman behind the man — the documentary explores the universal qualities of a life full of excess, success and hardship.

“The Ivana Trump Story: The First Wife” is available for streaming on July 22 only on Hulu.
