

9-1-1 (Thursdays, 8:00-9:00 p.m. ET/PT, on ABC; Streams on Hulu)

Season Premieres Thursday, March 14, 2024

Ryan Murphy, Brad Falchuk and Tim Minear reimagine the procedural drama with “9-1-1.” The series explores the high-pressure experiences of first responders — including police officers, firefighters and dispatchers — who are thrust into the most frightening, shocking and heart-stopping situations. These emergency responders must try to balance saving those who are at their most vulnerable with solving the problems in their own lives. The show draws from real-life, high-pressure experiences of first responders who regularly face heart-stopping situations that are often unpredictable, intense and uplifting at the same time.

The series stars Angela Bassett as Athena Grant, Peter Krause as Bobby Nash, Jennifer Love Hewitt as Maddie Buckley, Oliver Stark as Evan “Buck” Buckley, Kenneth Choi as Howie “Chimney” Han, Aisha Hinds as Henrietta “Hen” Wilson, Ryan Guzman as Eddie Diaz and Gavin McHugh as Christopher Diaz.

Created by Ryan Murphy, Brad Falchuk and Tim Minear, “9-1-1” is produced by 20th Television in association with Ryan Murphy Television and Brad Falchuk Teley-Vision. Angela Bassett, Peter Krause, John J. Gray, Brad Buecker, Kristen Reidel, Juan Carlos Coto and Lyndsey Beaulieu also serve as executive producers. Minear also serves as showrunner.
