

NANA AGYEKUM

Freeform's "Royal Rules of Ohio"

Born in Los Angeles, California, Nana Agyekum graduated from Ohio University with a bachelor's in business administration, focusing on information systems and minoring in analytics. Currently, she is a patient care coordinator in her family's home health company.

Ever since childhood, Agyekum loved two things: television and computers. She is currently attending drama school at the Identity School of Acting. While pursuing her true passion, she is also working on her coding skills and knowledge of different programming languages, such as HTML, CSS, JavaScript, Python and C#. These two completely different technical and creative interests make Agyekum the well-rounded mind she is today.

In her free time, Agyekum enjoys yoga, going to restaurants, playing with her dogs and watching anime.
