

HIGH POTENTIAL (Returns Fall 2025 on ABC; Stream on Hulu)

Created by Drew Goddard ("The Good Place," "The Martian") and starring Kaitlin Olson, "High Potential" follows a single mom with an exceptional mind, whose unconventional knack for solving crimes leads to an unusual and unstoppable partnership with a by-the-book seasoned detective (Daniel Sunjata).

Based on the popular French series "Haut Potentiel Intellectuel (HPI)," "High Potential" stars Kaitlin Olson as Morgan, Daniel Sunjata as Karadec, Javicia Leslie as Daphne, Deniz Akdeniz as Lev "Oz" Ozdil, Amirah J as Ava, Matthew Lamb as Elliot, Steve Howey as Jesse Wagner and Judy Reyes as Selena.

20th Television produces "High Potential." Drew Goddard and Sarah Esberg of Goddard Textiles, showrunner Todd Harthan, along with Marc Halsey and Kaitlin Olson serve as executive producers. "High Potential" will return this fall, airing Tuesdays at 10 p.m. on ABC, streaming next day on Hulu.
