### **About CMA Fest**

For more than 50 years, CMA Fest has united the Country Music community, bringing fans, artists and industry professionals together for four unforgettable days in the heart of Nashville. What began in 1972 as Fan Fair® with just 5,000 attendees has evolved into the longest-running Country Music festival in the world, drawing an estimated 95,000 attendees. CMA Fest is more than a festival—it's a celebration of the connection between artists and fans, featuring hundreds of performances and collaborations across multiple stages, once-in-a-lifetime moments, and the vibrant energy of Nashville, all fueling something bigger than the event itself. CMA Fest artists donate their time, turning their performances and appearances into purpose, with proceeds supporting music education through the CMA Foundation. This year marks the 22nd consecutive year that CMA has produced a summer music program to air as a network television special on ABC.
