Gary Marsh, president and chief creative officer, Disney Branded Television, said, "'Descendants' introduced a fantasy world of stories and characters anchored in Disney mythology. For the past six years, it captivated young viewers and grew to become among Disney Channel's biggest entertainment franchises ever. It had the benefit of immensely talented stars, who we now welcome back for this animated 'Royal Wedding' special that will bridge the audience to what we hope will be a new chapter of compelling 'Descendants' stories and characters yet to come."

"Descendants: The Royal Wedding," by Sara Parriott & Josann McGibbon and Ricky Roxburgh, is based on the "Descendants" movies by Parriott and McGibbon ("The Starter

Wife," "Runaway Bride," "Descendants," "Descendants 2", "Descendants 3"). Produced by Le Cube, Salvador Simó is set to direct.
