

GAVIN MCHUGH

Christopher Diaz on ABC's "9-1-1"

Gavin McHugh, a teen actor from Georgia, brings vibrant energy to his role as Christopher on ABC's "9-1-1." Growing up alongside four older siblings, McHugh discovered his passion for acting early on.

Off-screen, McHugh also copes with cerebral palsy, yet his infectious joy emanates as he embraces each moment. Beyond his work, Gavin finds excitement in various pursuits. From swimming to immersing himself in music, where his perfect pitch elevates his piano playing and enriches his experiences attending concerts, reading remains his favorite hobby.

Guided by Dory's mantra of "just keep swimming," McHugh approaches life with determination while pursuing his dreams and living in the moment.
