When Erik Maund, a prominent, wealthy auto executive from Texas, had an affair with an escort, Holly Williams, on a trip to Nashville, he might have thought there would be no consequences. But when Holly’s partner, Bill Lanway, attempted to extort Maund for \$25,000 and threatened to expose his affair with Williams to his family, a deadly murder-for-hire plot ended in tragedy. On March 12, 2020, Williams and Lanway were shot to death, and their bodies were left in an abandoned car in Nashville. In a new “20/20,” ABC News correspondent **Bob Woodruff** gives viewers an exclusive inside look at the investigation of a dangerous conspiracy involving private security operatives with elite military experience, including never-before-seen surveillance video and footage of the FBI’s undercover sting that busted the case wide open.

The two-hour program includes exclusive interviews with detectives David Willover and Patrick Cuthbertson of the Metro Nashville Police Department, who started the investigation into the murders; FBI Special Agent David Som, who coordinated the sting operation that led to the suspects’ arrests; federal prosecutors Robert McGuire and Brooke Farzad, who successfully convicted all of the defendants; Chad Brockway, brother of one of the convicted men; and Daniel Kash, friend of one of the men involved in the scheme. Additional interviews include friends of Holly Williams and Bill Lanway. “20/20” airs on **Friday, Feb. 9 (9:01-11:00 p.m. EST)**, on ABC, next day on [Hulu](#).
