

## **THE GOLDBERGS (Wednesdays, 8:00-8:30 p.m. ET/PT)**

**Season Premieres Wednesday, September 25**

The Goldbergs return! Everyone's favorite '80s family is back and radder than ever. This season is bound to be historic as meddling Mama Beverly and delightful curmudgeon Murray are faced with an (almost) empty nest! Last year, eldest kid Erica decided the life of wanna-be rockstar wasn't for her, so she set her sights on heading back to school and actually trying this time. Meanwhile, Hot-tempered middle child Barry has graduated and is ready to move on from his longtime love, Lainey Lewis, and reinvent himself in college. The only catch is that both Erica and Barry are headed to the same school! That leaves the youngest and resident geek Adam as the only Goldberg child left in the house. Adam's year will be legendary too as he navigates life as a nerdy upperclassman, while still facing nefarious bullies, social anxieties and maybe even the return of a "first" love he thought moved away. As Beverly zeroes her smothering powers in on her last schmoopie at home, Murray, too, will find the house eerily quiet without most of his moron kids running around. When he realizes he may have squandered the majority of their childhood sitting in his recliner, he decides to make a real effort for the first time in his life. Of course, Erica's lovable goof of a boyfriend, Geoff Schwartz, is back, eager to kick off the gap year he decided to take to relax and spend some quality time with his stressed out college girlfriend.

As always, rounding out the Goldberg clan is beloved grandfather Al "Pops" Solomon. Pops will remain the treasured, reliable patriarch of the Goldberg crew, steadfast in his timeless wisdom, giant heart and appetite for deli to match.

This season will surely be chock full of hilarity and emotion as each of our beloved Goldbergs try to adjust to the recent changes their lives have undergone. And yet, despite new dynamics, new relationships and even some new characters, what remains the same is what has kept the Goldbergs better than ever for the past six seasons. As long as they face the challenges, ups, downs, twists and turns of life together, life will be sweet.

"The Goldbergs" stars Wendi McLendon-Covey ("Bridesmaids") as Beverly Goldberg, Patton Oswalt ("Ratatouille") as adult Adam Goldberg, Sean Giambrone as Adam Goldberg, Troy Gentile ("Good Luck Chuck") as Barry Goldberg, Hayley Orrantia ("The X Factor") as Erica Goldberg, Sam Lerner as Geoff Schwartz, with George Segal ("Just Shoot Me") as Al "Pops" Solomon and Jeff Garlin ("Curb Your Enthusiasm") as Murray Goldberg.

Adam F. Goldberg, Doug Robinson, Alex Barnow, Chris Bishop and Annette Davis are executive producers. "The Goldbergs" is produced by Happy Madison, Doug Robinson Productions and Adam F. Goldberg Productions, in association with Sony Pictures Television.
