**Extended Logline:** Hometowns are on the horizon for the golden bachelor. With only three roses to hand out, Gerry has a week of important moments ahead of him that will lead to his toughest decisions so far. First, one free-spirited woman is whisked away for a breathtaking once-in-a-lifetime date and finds herself opening up in unexpected ways. Then, the remaining women make their way to the final group date of the season – an evening of fun and games at the iconic Santa Monica Pier – but not before the pressure of the moment causes cracks to form in one woman’s cool and confident demeanor. With the stakes higher than ever before and the weight of Gerry potentially meeting their families looming, several women make bold and heartfelt confessions, but they’ll all need to face the possibility that their fairytale story with Gerry may not have a happy ending with the most intense and emotional rose ceremony yet.
